Quarterly report Q3 2026

Revenue rose by **12 %** to €1.48 million[1], carried by the north and the new subscriptions. The full figures are in the table below.

Revenue by region

Region	Q2 2026	Q3 2026	Change
North	€410,000	€486,000	+18 %
South	€392,000	€415,000	+6 %
East	€301,000	€322,000	+7 %
West	€217,000	€257,000	+18 %

> The north grew fastest: two new distribution partners started in July.

What was done

- [x] Move the shop to the new payment provider
- [x] Hire two people for support
- [ ] Open the office in Musterstadt

A tag from a model's answer stays text: <img src=x onerror=alert(1)>

Outlook

1. Keep the price of the subscriptions until the end of the year.
2. Start the east region's own sales team in January.
3. Report the first figures of the new office in Q1 2027.

```
Forecast Q4 2026: €1.55 million to €1.62 million
```
